

# The Bezalel Academy of Arts and Design Jerusalem

## The Search Committee announces the position of

### ► **President of the Academy**

Bezalel is an academic institution combining teaching, research and creativity in a range of art, design and architectural fields. Bezalel is committed to training future generations of outstanding artists and designers in Israel, to lead an ethical, aesthetic and intellectual change in the Israeli arena.

- The President of Bezalel must have a background, understanding and be involved in the world of academia, culture and artistic creativity. (According to the requirements of the Israeli Council for Higher Education the President must hold the rank of professor).
- The President must possess management and administrative experience and capabilities, especially in the fields of education and culture.
- The President must be able to represent Bezalel before the Council for Higher Education, the general public and academic and artistic connections within Israel and abroad.

Suitable candidates are invited to send in their C.V. and contact details. Those who are interested in suggesting a candidate for the position are invited to send in a detailed explanation and their personal details.

Candidacy should be submitted by **8 July 2012** to:

The President's Office  
Bezalel Academy of Arts and Design  
Mount Scopus  
POB 24046  
Jerusalem 91240

The Search Committee ensures confidentiality.

The Committee is not obliged to invite every candidate to the interview stage.
